Part-time: 22.5 hours per week

Salary: FTE £30,860-£38,636

We are situated near Tunbridge Wells and provide a service to residents in Kent and East Sussex. Our Hospice has a 17 bedded In-patient Unit and a Day Therapy Centre in addition to an established community team of Clinical Nurse Specialists and Staff Nurses.

An exciting opportunity has arisen for a Clinical Nurse Specialist with Palliative Care experience to influence and deliver the National End of Life Care Agenda, primarily supporting the implementation of the End of Life Care (EoLC) Tools. This challenging and rewarding part-time post will involve working with nursing homes in the Hospice's catchment area of West Kent. The successful applicant will play a key role in the ongoing management and delivery of EoLC training within the locality.

We are looking for a candidate who is able to work autonomously and as part of the multi-professional team, who has excellent communication, negotiating and leadership skills. A mentorship qualification is essential and a keen interest in teaching, audit, research and project management would be an advantage. A current driving licence and access to a vehicle that can be used for work purposes are essential.

Our team is dynamic and friendly. We actively support and encourage staff to develop personally and professionally through clinical supervision and in-house and external education opportunities.
