

HOSPICE at HOME Service

Health Care Assistants

Full or Part-time

16 shifts (21.00-07.20 hrs) per 28 days full-time

Salary: FTE £15,308-£17,458 pa

Hospice in the Weald (HITW) is based in Pembury, near Tunbridge Wells, Kent and covers 400 square miles of West Kent and East Sussex. The Hospice has a 17 bed In-patient Unit, a Day Therapy Centre and a Community Team, and cares for patients with life limiting conditions such as Cancer, Heart/Kidney Failure (end stages) and Neurological conditions. Following agreement from our Trustees we are launching a new and exciting Hospice at Home project, to care for patients in the last few weeks of life in their own homes, overnight.

We are seeking experienced Health Care Assistants (HCA) with a “can do” attitude that are keen to help develop a night nursing service in the patients’ own homes. Full training and support will be given. A current driving licence and access to a vehicle that can be used for work purposes are essential.

We actively support and encourage staff to develop personally and professionally through clinical supervision and in-house and external education opportunities.

NHS Superannuation is recognised or a company pension available.

If you would like further information or to arrange an informal visit, please contact Hannie David, Community Team Leader, on 01892 820500. For an application pack please contact Alexis Roberts, HR Manager, on 01892 820546 or email alexis.roberts@hospiceintheweald.org.uk.

Closing date: 15 August 2010
