

Corporate Partnerships: Events & Campaigns

2026/27

“They understand what’s important to me, and they help me to feel well enough to do things I enjoy, even in a small way.”

Hospice in the Weald provides care for adults and children living with a terminal or life-limiting illness, as well as their loved ones, in Kent and East Sussex.

Our services are provided free of charge. However, with just 13% of our funding coming from statutory sources, we rely on 87% of our income from fundraising, donations, trusts, gifts in wills and our charity shops.

We are committed to doing whatever it takes to support people in our community. To keep meeting the growing needs and rising costs, we rely on the generosity of supporters like you to help make a real difference.

Event Sponsorship: Christmas Tree Recycling

Our Christmas Tree Recycling campaign provides a simple but ecofriendly way for the community to dispose of their tree while supporting a local charity. In return for a small donation, the team collects unwanted Christmas trees from people's houses and recycle them with local chippers. Crucial to the services success is the support of businesses who volunteer drivers, vans, and their time to collect the trees.

This campaign was once again a festive success in 2025, raising an incredible £57,675. The campaign saw 2,595 trees collected, thanks to the dedication of 120 volunteers and 54 vans. Don't miss your chance to be part of our 2026 campaign!

Here are some opportunities to get involved:
